You have made us so proud!
Your hard work and determination has helped you through the first chapter of your life.
Continue on the same path and you will succeed in anything you put your mind too!
We love you more than you'll ever know.
May God bless you always.
Love you,
Mom, Dad & Julia.

This is my wish for you: Comfort on difficult days,
smiles when sadness intrudes, rainbows to follow the clouds,
laughter to kiss your lips, sunsets to warm your heart,
hugs when spirits sag,
beauty for your eyes to see, friendships to brighten your being,
faith so that you can believe, confidence for when you doubt,
courage to know yourself,
patience to accept the truth, Love to complete your life.

You have challenged yourself intellectually, pushed yourself physically. You have learned from mistakes, celebrated successes. You set off on adventures and returned richer for your experiences. We are in awe of what you have accomplished so far and know you have only just begun! Love, Mom & Dad

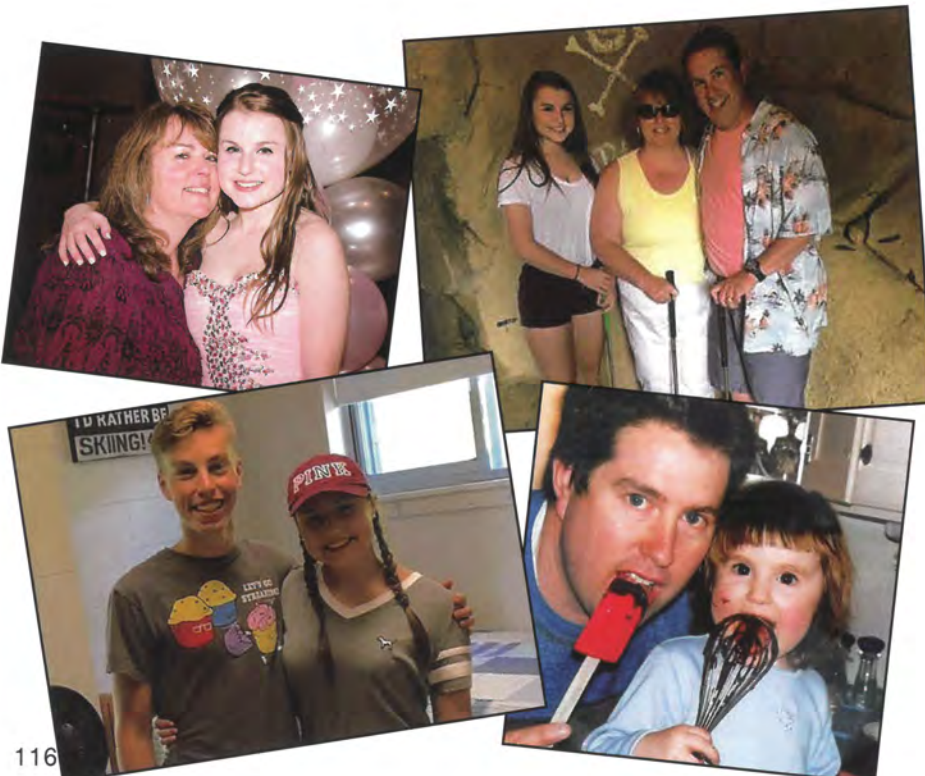

Tessa

Pickle, sometimes I wish I would have traded you for that calf when you were born, but then I never would have any memories with the Nissan, TV talk at dinner, GTA nights, Vines, and the Olympic sliding hill at the house. I'm so proud of you and how far you've come from licking grape jelly off the bottom of mom's Croc to dipping a twizzler in fondue just now as I'm typing this. I know you'll go far in life, good luck and remember, "when the F did we get ice cream?" I love you, Wy

To Our Sunshine - Keep your strong will, independence, and compassion for others, whether 2 legged or 4, with you throughout life. These qualities will take you far. We are so very proud of the young woman you have become. Take every opportunity to change the world. We've known from the time you were a little girl, that was your destiny. Love, Mom & Dad

Kassidy Buley

Congratulations Kass!!
You made it. We couldn't be more proud of you. Such a talented and well rounded young lady who worked hard to get to this point. You stayed on the honor roll, made National Honor Society, won a State Cheer Championship, went to New York City and cheered in the Macy's Day Parade and then turned around a week later and cheered in the Disney All American Cheer Parade. You rock. Keep working hard and don't let anyone tell you that "you can't do something" you will prove them wrong!!! Love you

Tessa, we are amazed each day by your accomplishments and thoughtfulness. As we think of you these past 18 years, there are a few phrases that capture who you are: "if you can dodge a wrench, you can dodge a ball"; "You picked it up in clear daylight and scratched it!"; "That's a GOOD movie"; Stoop!; "chip, chip, cheerio"; "slick shoes"; "this is why we don't have nice things". and of course, "I ate some bugs, I ate some grass, I used my hand to wipe my..... tears".
Mr. Rogers says it best; "You make everyday a special day just by being you, and I like you just the way you are. Embrace your special day, and do good in the world".
Don't Stop Believing!
Love you bunches! Mom and Dad
